

ADMINISTRATIVE PROCEDURE

OPERATIONAL SERVICES

Parking

Parking and restricted areas of school grounds will be marked with signs and appropriate enforcement measures will be taken.

Vehicles must be kept at least ten (10) feet from any exit and must not be allowed to park in Fire Department access areas.

STUDENT WELFARE - Autos

Students eligible to drive to school may be issued parking permits by the Building Principal or his designee.

Students shall park in the areas designated and shall observe all Illinois laws, local ordinances and school regulations.

Violation of school parking regulations may lead to the revocation of parking privileges.
