

PROFESSIONAL PERSONNEL**Administrative Procedure - Substitute Teachers**

Substitute teachers shall be paid the daily wage approved for substitutes. No fringe benefits, with the exception of mandated State and Federal retirement payments, shall be extended to substitutes. After serving fifteen consecutive days in the same assignment (in place of one teacher), a substitute teacher's wage shall be based upon the current base salary for teachers, beginning with the sixteenth day of service. If the substitute teacher is assigned to begin or end a school year, then the teacher will be paid at the base salary rate retroactively for the first 15 days of the assignment.
