VOLUNTEER COACHES - Athletic Program

Criteria for using volunteer coaches in our athletic program.

They must be certified to meet the IHSA (high school coaches) or IESA (junior high coaches) coaching standards by one of the following methods:

1. College degree in Education
2. College degree and have a valid Substitute Certificate
3. 18 years of age and have passed an approved certification program (ACEP)

The volunteer coaches will adhere to the following guidelines:

1. Must have specific duties outlined by the head coach and approved by the administration.
2. Cannot take over responsibilities of a paid assistant coach.
3. Cannot be responsible for conducting practice session alone, without paid staff personnel around to accept supervisory responsibilities.

Volunteer coaches must be approved by building level administration and District Office.
